PRAYERS OF THE SOCIETY.

BEFORE THEY COMMENCE BUSINESS.

PREVENT us, O Lord in all our doings, with Thy most Gracious favor; and further us with Thy continual help; that in all our works, begun, continued and ended in Thee, we may glorify Thy holy name, and finally, by Thy mercy, obtain everlasting life, through Jesus Christ our Lord.—Amen.

O GOD, from whom all holy desires, all good counsels, and all works of piety and charity do proceed, we beseech Thee to visit with Thy favor our Sovereign Lady Queen Victoria, and so rule her heart, that she may in all things seek Thy honor and glory. Prosper with Thy blessing the designs of this Society. Comfort with Thy grace those benefactors who contribute to its support. Bless the ministry of Thy servants, the Clergy; the endeavours of all who are engaged in spreading the knowledge of true religion in the dominions of our Sovereign, and the labours of those missionaries who are promoting the same in this Province. And may Thy Holy Spirit direct all our consultations to the advancement of Thy glory, and the good of Thy Church, through Jesus Christ our Lord.—Amen.

O MERCIFUL GOD, who hast made all men and hatest nothing that Thou hast made, nor wouldst the death of a sinner, but that he should be converted and live: Have mercy upon all Jews, Turks, Infidels, and Heretics, and take from them all ignorance, hardness of heart, and contempt of Thy Word; and so fetch them home, blessed Lord, to Thy flock, that they may be saved among the remnant of the true Israelites, and be made one fold under one Shepherd, Jesus Christ our Lord, who liveth and reigneth with Thee and the Holy Spirit, one God, world without end.—Amen.

OUR FATHER, which art in Heaven, Hallowed be Thy name. Thy Kingdom come. Thy will be done in earth, as it is in Heaven. Give us this day our daily bread. And forgive us our trespasses, as we forgive them that trespass against us. And lead us not into temptation, but deliver us from evil; For thine is the kingdom, the power, and the glory, for ever and ever.—Amen.

WHEN THE BUSINESS IS ENDED.

The Grace of our Lord Jesus Christ, and the love of God, and the fellowship of the Holy Ghost be with us all evermore.—Amen.

REPORT.

THE present Meeting forms the Thirtieth Anniversary of this Society. It has reached the period of manhood. The fullest development of its strength was never more required by the Church than at the present time. The work undertaken by this Society has increased beyond its means. Year by year its sphere of usefulness is enlarged without the power to occupy it.

The appropriations of last year were mainly confined to the support of Missions. They were, in every instance, limited to the lowest amount. Barely sufficient was in this way provided for the expenses the Missionary is compelled to incur. The General Committee was reluctantly obliged to refuse aid on behalf of other objects of the Society—in themselves most desirable. Yet, with all this economy, and with a slight increase in the amount of contributions, the Treasurer's account made up to the 1st of May, shows, for the first time, a small balance *against the Society*. This balance has since been supplied by payments which properly belong to the income of the past year, and on the same account there is considerable balance due on the investments.

It will be noticed that the payments made in aid of Church building were on account of grants made in 1864; so that in reality, the state of the funds of the Society, at the close of the fiscal year, do not compare unfavorably with that of preceding years.

The Treasurer has promptly paid all the grants made last year by the General Committee, and also all outstanding claims against the Society.

From the report of the missionaries and of the local committees the following abstract is now submitted, from which the prospects of the Society for the current year may readily be observed.

ANDOVER.—Rev. W. Henry Street is unable to forward in time for the Meeting a statement of the amount of the subscriptions from this mission. He trusts, however, that the urgent calls upon the Society will be responded to by an increase in the subscriptions. Anticipating a

withdrawal of the usual grants of the Society for the Propagation of the Gospel, Mr. Street has endeavoured to impress upon his people the fact that we cannot, in future, for any length of time, look to our brethren in England for the pecuniary support of the Church in this Province.

He thanks the Society for the late grant of books, which, owing to the limited supply at the Depository, he has been unable to take up, and he hopes that the Committee will allow an extension of time.

BATHURST, NEW BANDON, &c.—Rev. W. LeB. McKeel writes as follows: "I entered upon the duties of this extensive mission on the 20th of Oct. last, and although deeply impressed with the responsibility of the charge, I was cheered by the consoling thought that He who had called me to the work would give me grace to perform the same. The warm welcome I received showed that there were many who valued the services of the Church, and are unwilling to be deprived of its ordinances. Ever since I have had reason to be encouraged in my work, although, owing perhaps in great measure to the absence of a resident Clergyman, there is much to deplore.

The sevices during the winter were, on the whole, well attended, though the weather for a great part of the time was most unfavorable. The average attendance may appear small, but this is owing to the number of services, performed at distant stations where the people are scattered and few in number.

The Church in New Bandon is too small for the congregation, and during the fine weather standing room could not be obtained. In the summer a large and increasing business is done in the extensive grindstone quarries, which causes an influx of population. All this calls loudly for increased Church accommodation. The congregation intend to build a Chancel and Vestry, which will give more spare room in the Church.

The interior of St. George's Church, Bathurst, has been much improved, and a serviceable organ procured, principally through the exertions of the ladies of the congregation. A Parsonage is being erected on the glebe—to be completed on the 1st of October.

The whole of the Gloucester Mission, including Shippegan and Miscou Islands, has been visited, and the greater part of Restigouche once.

During the winter months, I find it useless to establish Sunday Schools, which I trust to have in full operation during the summer months. The School at Bathurst has been punctually attended and numbers fifty on the list.

There has been a good deal of sickness and very many deaths this winter. I have buried eleven of my flock. The constant visiting of the sick has added much to my work. During the past seven months I have made 79 sick visits, in addition to 433 parochial visits.

I return thanks to the Society for the grant of Books, of which there is a great want in the Mission.

Our appreciation of the noble work being done by the Society will not, I trust, be measured by the amount of our contributions. The work going on in the Parish, together with the great scarcity of money, preclude the possibility of our doing more at present."

Contributions amount to $24.

CAMBRIDGE AND WATERBORO'.—Rev. B. Shaw has enclosed the following report. "I am thankful to say that the Mission gives signs of improvement. The services this year have been very well attended, and I think the people generally are taking more interest in the Church's work.

Last October I presented nine young persons for Confirmation; very

small number, I know, but still sufficient for one to thank God and take courage.

We had morning service with Communion at St. James's Church, Cambridge; there were nineteen communicants. We had also evening service at St. Luke's Church, Waterboro'. The Bishop promised to give us a Communion Table for this latter Church; since that time we have received it, and our Church is improved by the addition.

During Lent I delivered a course of seven Lectures on the Apostles' Creed, at St. James's Cambridge, and St. Luke's, Waterboro', and at Mill Cove I gave seven Lectures on the Lord's Prayer. These services were very well attended.

We have got a new fence round the Church-yard at St. James's, with the exception of a small portion at one corner; and our Church Warden has promised to complete it this summer. This Church is at present undergoing repairs and cleaning.

Owing to the inclement weather last winter, it was impossible to cross to the Western side of the Lake for a considerable time; so that I was obliged to give up the services at Newcastle and Iron Bound Cove. However I shall endeavor to compensate for the loss by extra services this summer.

We have had nine or ten new Communicants since last Xmass.

At our meeting of the Local Committee, W. Carman, Esq., and W. Robinson Esq., were appointed lay delegates, and it was resolved that—

'We heartily sympathise with the renewed efforts of the Diocesan Church Society for increased funds, at the present position of the Church with the Society for the Propagation of the Gospel, and we will endeavor to further this object to the extent of our power.'

I must still urge the necessity, if possible, of sending a Clergyman to the Western side of the Lake. In November there will be a vacant glebe lot of 300 acres, with house and barn on it, provided a Clergyman is sent. I see no reason for altering the opinion I gave last year in my report, viz: that £50 would be subscribed by the people.

Our subscriptions amount to $71.02, being an increase of $41 over last year."

CAMPOBELLO.—Rev. J. S. Williams reports that at a late meeting of this local Committee the following resolution was passed:

"That this Committee continue to feel an unabated interest in the great objects which the Society has in view, and in the Society's efforts to promote them."

They renew their application for a grant in aid of the Church School.

The contributions, Mr. Williams hopes, will be in excess of those of last year.

CANTERBURY.—Rev. T. Hartin reports contributions amounting to $30 72.

CARLETON.—Rev. Canon Coster reports $38 77 as the contributions from the Parish.

CHATHAM.—Rev. S. Bacon has enclosed resolutions passed by this Local Committee as follows:—

1. "That this Committee view with increasing satisfaction the continued success of the Diocesan Church Society, which can alone be ascribed to the special blessing of Almighty God—a certain earnest of its future prosperity. Moreover it has ever been their firm conviction, that with some alteration in the present constitution of the Society, no better institution could be devised to provide a General endowment for the Colonial Church.

2. That this Committee would feel exceedingly grateful to the Society for a small grant towards the support and encouragement of an Assistant Missionary for Chatham, which, after a period of 44 years, has become essential to the very existence of the Church in this Parish.

3. That this Committee hope the amount of the contributions may not fall far below those of the preceding year, whilst the almost unprecedented commercial depression and a recent additional claim on the liberality of the people for the maintenance of an Assistant Missionary, forbid the expectation of enlarged contributions."

The Committee trusts that the usual grant of books will be made, which form a valuable acquisition to the Sunday School Lending Library.

The Contributions amount to $103 90.

DERBY, BLACKVILLE, &c.—Rev. W. Cruden writes that on the Bishop's visitation last Autumn twelve candidates were confirmed, who were all deeply sensible of the solemn vows they took upon themselves. There have been several deaths during the past year.

An effort is being made to repair St. Peter's Church, and to have it fitted for evening service. During the past year the Missionary has been indebted to the Sons of Temperance for the use of their Hall which has been supplied with lights and fuel free of charge. The required outlay on the Church will amount to $160. This call upon the people will interfere with their contributions to the Society. As yet there are only $3, though the Missionary hopes to increase the amount by $10 or $12. Mr. Cruden adds, "I have been stationed eight years in this Mission, During which period I have baptised 184 children and one adult; 53 persons have been confirmed by the Bishop. I have had 16 marriages and 28 burials.

DOUGLAS.—Rev. T. E. Dowling has great pleasure in informing the Society that the old parsonage buildings with the adjoining land have been sold and the amount invested in the purchase of a residence pleasantly situated near All Saint's Church, Crock's Point, which the Clergyman now occupies.

Two Church families have lately removed from this neighborhood, so that the burden of the debt due on the Church falls heavily on a few heads of families. This debt is reduced to $199. The congregation would feel grateful to the Society for aid. This Church has not received any grant from the Society.

The Society will be pleased to hear that special Lenten weekly services were held at All Saints' Church, and evening services on the Festivals are now established. A monthly Bible class slowly progresses. Through the exertions of Dr. Brown—a member of the congregation—a Melodeon has been provided, and the singing has consequently improved. Friends in England have placed a memorial window in the three East lights, and the Architect has lately designed and given the Font. We sadly want a Bell. Oh that some good church man or church woman would present one as an offering! The church women have not been behind hand. A Pall was much wanted, and is now being made up among themselves. The congregation, including children, consists of 56 persons, and 22 of the number are communicants.

Through the goodness of God I have been enabled to keep all my weekly appointments at Tay Creek, but the last eight journies have been terrible work. One part of the country is very hilly, another through a swamp, and during the winter the unusual quantity of snow prevented my travelling on the direct road.

Major F. Robinson, a former resident, and still a good friend to the Church in this Mission, has made a grant of 200 acres of land for the sole benefit of St. James's Church at the Tay Settlement. This land has been

deeded to the Bishop of Fredericton and his successors, and will some day be an additional inducement for uniting the Parish of Stanley and the Tay Settlement into one Mission with a resident Clergyman. The Churches at Stanley and Tay are only six miles apart, and yet the first is served by the Missionary of St. Mary's and Stanley, who lives 23 miles distant, and the other requires a journey of at least 25 miles from the Rector of Douglas. It is a grievous matter for consideration, that James's Church, which is always well attended by an earnest congregation, on one day in the month, should be closed for 40 Sundays throughout the year. It is hoped that a person whom the Bishop has consented to license as a lay reader, and who will be a most invaluable assistant, may be induced to accept this office.

The subscriptions from this Parish will not be less than those of last year.

DUNDAS AND WELLINGTON.—Rev. A. H. Weeks, Curate of Shediac, has enclosed a list of Subscribers from this Mission, amounting to $15 15, which sum is included in the amount forwarded to the Treasurer by the Rev. Dr. Jarvis. Mr. Weeks applies for aid towards the completion of a Church, which he hopes to make use of by mid-summer.

FREDERICTON.—Rev. Charles Lee has enclosed the following report, adopted at a Meeting of this Committee on the 21st June last:

"That since the Society for the Propagation of the Gospel *has* commenced the reduction of its grants to this Diocese, the salaries of our Missionaries demand our first consideration.

That to maintain them, and set forward God's work, in and through the Ministry, it is the duty of all the members of the Church, young and old, rich and poor, heartily to unite, and increasingly to contribute.

That we are persuaded this can only be effectually done through one Society, such as that which we have, presenting a common Treasury for our offerings, a well arranged constitution for the management and distribution of these, and having various objects centring in one—the glory of God—the good of souls.

May the Divine head of the Church give both Ministers and people hearts responsive to His call, thankful for his mercies, and humbly zealous in His work! The work is His, the blessing is ours, as we join in it."

Contributions reported $825 93.

GAGETOWN.—Rev. J. Neales reports contributions to the amount of $47 03.

GLENELG, NEWCASTLE, &c.—Rev. J. Hudson writes that at the late meeting of this local Committee resolutions were passed again recommending the Society's good works, now in operation nearly thirty years, to the prayers and alms of all true hearted Churchmen, and suggesting that it is high time, (if the Church is to maintain even her present position in the Diocese of Fredericton,) that the offerings of her members should be largely increased.

The Missionary adds that during the summer of 1864 the Bishop confirmed little bands of Churchmen in several parts of this extensive mission, and addressed them in his usually kind and impressive manner, and that *some* of those persons, (would he could say *all*,) have since become communicants.

Since the 29th June 1864, to the present date, July 3d, there have been remitted to the Society's Treasurer from this mission, the following sums, viz: Newcastle, £8 17 2; Glenelg, £4 14 9; Ludlow and Northesk, £1 0 10; Sale of books, £2 6 10; total £16 19 7.

GRAND MANAN.—Rev. G. T. Carey has forwarded to the Treasurer $20, with a list of Subscribers to that amount.

GREENWICH AND WICKHAM.—Rev. D. W. Pickett writes as follows: "The work of this Mission during the past year has differed but little from that of previous years. There have been the usual public services, ministrations to the sick and dying, and other parochial visits,—11 funerals, and 3 marriages. It is difficult to keep Sunday Schools in operation, owing to the distance at which the people live from the Church, the want of suitable teachers, and the impossibility of being present myself. We have, however, a small School at St. Paul's Church during the summer, and I endeavor to supply the deficiency by publicly catechising the children on the week day Services. These Services held every month at St. Paul's, and every fortnight at Harvey's, are well and regularly attended, particularly by aged members of the Church, who frequently express their thankfulness at having Divine Service thus brought within their reach. In Wickham, the Church has occasionally been closed in consequence of violent storms, which prevented my crossing the river; and we are somewhat discouraged by the removal from the Parish of several families who were closely attached to the Church, which has very much reduced the congregation and the number of communicants. The Monthly Service at the Shannon Settlement, which was discontinued during the winter, has been resumed. The church here proceeds but slowly. The people are chiefly members of the Baptist denomination, and are not disposed to contribute largely, though the congregations have hitherto exceeded those of the Parish Church. The building, however, is so far advanced that it affords better accommodation during the summer than the small school house where the services were formerly held.

For the last three months, at the desire of the Bishop, I have opened the Parish Church at Petersville every other Sunday. The attendance is large, and the people seem pleased to have again an opportunity of meeting together for public worship. They will contribute liberally for the support of a resident Clergyman, and I trust the Society will assist them as far as possible in filling the vacancy, or in making some arrangement by which so large a body of church people may be regularly supplied with the ministrations of the church."

Mr. Pickett regrets that the amount of the contributions, which will not be less than $40, should be less than usual. This, he says, is owing, not to any diminution of interest in the work of the Society, but partly in consequence of the great scarcity of money, and partly to the large demand upon the church people to pay a debt which has been allowed to accumulate on the Parsonage.

HAMPTON.—Rev. W. Walker reports for the general purposes of the Society, the sum of $188 18.

KINGSCLEAR.—Rev. J. Black reports contributions to the amount of $51 16.

KINGSTON.—Rev. W. E. Scovil reports contributions to the amount of $120 15.

LANCASTER.—Rev. W. S. Covert writes that the contributions from this Mission are not yet made up. He has reason to fear they will be less than last year.

MAUGERVILLE AND BURTON.—Rev. H. Pollard writes as follows:—"Since the last report, the Church in the village of Oromocto has been completed and consecrated. The interior is well finished, the seats being of oak, the pulpit and altar rails of black walnut. The east window was made by Beer, of Exeter, and the side windows are from Messrs. Powell & Sons, London. These latter are remarkably cheap and effective, cost-

ing but little more than ordinary ground glass, and being a quarter of an inch thick, cannot be so easily broken.

The choir occupy the chancel and render very efficient help in leading the musical part of the service. Our anticipations regarding an increase of congregation have been more than realized; the church which will accommodate four times the average number attending the old building, is often filled, especially at the evening service.

Over $100 have been raised towards the purchase of an organ, and this, with a font, will give us all the necessaries for the due performance of Divine Service. It is due to this part of the Mission to say, that, whilst the burden of the expense of building the church has fallen chiefly upon those in the neighbourhood, their contributions to other church purposes have been largely increased.

There is a small amount still due the building committee, and, if the funds of the Society will permit, I hope we shall not be forgotten in the appropriation. During the year ending last Easter, the sums raised for the Rector have been as follows: Maugerville, $55 00, Lower Burton, $56 60, Oromocto, $218 00."

The contributions are not yet completed.

MONCTON AND SALISBURY.—Rev. W. N. Boyer, has inclosed a list of Subscribers to the amount of $37 08, and has remitted the same by a Post Office order.

Mr. Boyer writes that he has been notified by the Colonial and Continental Church and School Society, that his stipend will be reduced £20 each year, for three years, and then this mission will be abandoned, unless the members of the Church make up the deficiency. The further sum of $4 40 has since been remitted, making in all $41 48.

NEW MARYLAND.—Rev. John Pearson reports contributions to the amount of $30 33, of which $6 are limited to the Widows and Orphans' Fund. He hopes they will be much increased another year.

A new Church has lately been built and consecrated at Rushagornis, which forms a part of this mission.

NORTON.—In the absence of the rector, the Rev. R. Simonds reports contributions to the amount of $70 45 from this Parish.

PORTLAND.—Rev. Canon Harrison reports contributions to the amount of $122 50.

PRINCE WILLIAM AND DUMFRIES.—Rev. C. F. Street writes that "the propagation of the gospel—the great object of the Diocesan Church Society has been promoted in this Mission during the past year as usual. Whilst success has attended the missionary in some parts, there is not much fruit from his labors in others. As in all other country Parishes, the field here is so great that all parts cannot have an equal or full share of attention, and therefore, in some districts the church progresses, while in others she stands still. The extra Services in upper Kingsclear, of which the Society kindly took notice last year, have been regularly continued. * * * They are attended with good and much labor.

The contributions will not, Mr. Street is assured, be less than those of last year.

QUEENSBURY.—Rev. W. H. Tippet reports contributions to the amount of $40 33. "I may add," Mr. Tippet writes, "in view of the financial difficulties now staring the Church in the face, that I do not think there is any prospect of the contributions to the Society from this Mission exceeding the average. The members of the Church here are comparatively few, much scattered, and get their living by hard personal labor, and,

judging as correctly as I can, I do not think that the occupation of farming and logging, in which they are engaged, enables them to do more than provide, and that *very moderately*, for their immediate family wants.

* * * * * * * * *

"There is no prospect as far as I can see, of the Church in this Parish becoming independent and self-supporting. I have felt it my duty to do what I could and at much expense, to improve the Church property upon which the parsonage house has been built, and should I have a successor, it will come into his possession in a much better condition, and will add something to his income. But no Clergyman, depending upon his profession for support can live here creditably and usefully, should the Society for the Propagation of the Gospel and the Diocesan Church Society withdraw or even lessen their present grant. Mr. Tippet adds that the Services at the various Churches and Stations, together with those appropriate to the Season of Lent, have been regularly kept up during the year with but occasional interruption from the state of roads and weather, and he thus concludes: "like all my brethren, I suppose, I am frequently tired and discouraged, but on the other hand, frequently encouraged by tokens of good done amongst my people, and by their kind bearing towards myself, and I cherish a comforting hope that, in my endeavours to rightly administer Christs' word and Sacraments, I am not working in vain."

Richibucto.—Rev. N. A. Coster reports contributions to the amount of $23 60. He writes "that few communities suffer more than this from the depressed condition of the timber trade. This is our sole dependance, and I am told there is no money circulating."

Sackville and Dorchester.—Rev. G. G. Roberts has inclosed $114 as the amount at present collected in this Mission, and writes that a further sum will shortly be collected to make the amount greater than that forwarded last year.

Mr. Roberts suggests that a different arrangement be made in supplying books on account of grants to the local committees, and he adds:—

"I am happy to be able to give a satisfactory account of my Parish in many ways. Congregations do not fall off, and the communicants have considerably increased. I have much cause for gratitude to our Heavenly Father; but, of course, some difficulties and discouragements to try my faith, and to stir me up to greater diligence in my Master's cause."

Springfield and Johnston.—Rev. G. Rogers reports an increased amount of contributions, viz. $99 21. He has also inclosed an interesting report of the work in his extensive Mission, of which the following are extracts:—"Last summer the prevalence of typhoid fever among several of our church families in Springfield increased considerably the usual number of sick visits. My register makes the number seventy; most of these were made during the summer months. The most lamentable part of my duty consisted in administering the Holy Communion to several, for the last time. It was a very sad and solemn thing for me to consign five young persons within a few months to the silent tomb, three of whom, a short time before, were in the height of health and vigor. Of these five, two were confirmed the previous summer; another by his rigid consistency to the doctrines of our church, and his regular attendance at the Sanctuary, has left behind him a name which will, I trust, long endear his memory in the affections of all who knew him, and especially influence those closely connected with him to follow his bright example. I have eighteen times during the past year read the service for the burial of the dead—over the ashes of those who were committed to the ground. J. H. Pickett, one of my church wardens, a useful and active member of the

church, was, three months ago, laid upon a bed of sickness; only a short time ill, he was removed from us. He has left a widow and several children to imitate the integrity and to follow the example of a devout and regular worshipper in God's house.

With the assistance of Mr. Boyd, the catechist, I was enabled to keep open the Parish church at Springfield every Sunday throughout the summer and fall. The number of services performed in the whole Mission was 126, of these 21 were performed by Mr. Boyd. The work of Johnston is the most laborious of the Mission. The distance of the Parish church from the Springfield Rectory is sixteen miles, and a road exceedingly hilly and difficult to travel. To perform Divine Service alone in Johnston, I have travelled about 900 miles; if other occasions be added, vestry meetings, parochial and other calls, and collecting for the Church Society, the distance cannot be less than 1200 miles. On two or three occasions, I have held Divine Service about two miles above Cole's Island, a distance of 26 miles; but as the people of that part are within a few miles of a Station, where a regular Sunday service is held by the Rev. Mr. Shaw, of the adjoining Mission, I trust that they will take advantage of so good an opportunity of worshipping there.

By the attendance again this year of our young people at the Sunday School, I gather that they appreciate the efforts made for their spiritual instruction. I am happy to say that a few persons have been induced, at Johnston, to open a Sunday School in connection with our Church. One of my church wardens, Mr. John Pearson, takes an active part in conducting it, and I trust that under his superintendance the children will advance in sound religious knowledge. They are sadly in want of books of all kinds for the successful working of the school, and I trust that the Society will make a grant towards it.

My list this year gives evidence of a growing interest felt in the objects of the Society by the people of Springfield. It will be seen that the amount reaches nearly as much as it did last year in both Parishes. I took the opportunity on two occasions publicly to lay the Bishop's circular of March 31st before them, as well as to show as far as I was acquainted, our actual position with the Society for the Propagation of the Gospel. In most instances the subscriptions were doubled, in others largely increased. As to the withdrawal of the Societies' grants, and the consequent closing of the Churches, I think I may venture to assert for this Mission, that were such a state of things probable, there is nothing that they would more deplore, and nothing that they would rather forego than the ministrations of our Holy Catholic Church. I am happy to state that when an effort is made to place the Church in an independent position by raising an Endowment Fund, there are parties to be found in Springfield who will aid as far as their means will allow in carrying out the object."

St. Andrews and Chamcook.—Mr. G. D. Street, Secretary of this local Committee, reports contributions to the amount of $183 66, which, he is happy to say, is a considerable increase compared with that of last year. Rev. Ranald E. Smith has continued his services as assistant Minister as usual. With regard to the Mission at Chamcook, he reports as follows:—"The Sunday services at Chamcock have been kept up regularly for the past year. The average number of communicants is greater than any previous year. The Sunday School and choir are making good progress under the superintendence of Mr. Grimmer, who has lately taken up his residence at this place. Our great object in this Mission is to strive to preach the Gospel in all its fulness, that by so doing we may both attend to the spiritual interests of our people, and attach them to that branch of the Church of Christ which we glory in upholding."

ST. DAVID AND ST. PATRICK.—Rev. J. S. Thomson has to report for the information of the Society the same continued prosperity and harmony, which have ever marked the working of the church in his mission. The number of communicants, notwithstanding the loss of many by death and otherwise, continues about 60; baptisms during the year 35; burials 14; marriages 3.

"The fatal illness in my family," Mr. Thomson writes, "resulting in the death of two of my children, about the time of the closing my subscriptions last year, prevented me, by its rapid progress, from sending in a list of subscribers; but the amount, $40, then paid, was forwarded to the Treasurer and is acknowledged in his last account.

My people are not rich in this world's goods; but many give most gladly and liberally according to their means, whilst we must admit there are some well off who give almost nothing. May the Lord open the hearts of all such to give more freely to the good work!

My subscriptions will be considerably larger this year than last."

ST. GEORGE.—Rev. J. McGivern writes that at the annual meeting of this local committee, contributions for the present year were reported as follows:—St. George $146 88, Pennfield and Pope Logan $28 97, and Rourke Settlement $6 75; total $182 60, which is an increase of $42 compared with the past year.

The following report was unanimously adopted at the meeting of this committee:—

"In reporting the amount of our contributions for the present year, this committee desire to renew their thanksgiving to Almighty God for His blessing on the past labors of the Society. The circular lately addressed to the clergy by the Lord Bishop, read in the churches of this Mission by the rector, referring to the inability of the Treasurer to meet the demands on the Missionary fund pro tem, is, in our opinion, no just cause for alarm. We are thankful for this communication; our brethren need to be rightly informed of the actual wants of the Church, and whenever a just cause is made out, we believe God will open a door, and that his people will be '*ready*,' in proportion to their means, to contribute cheerfully to the necessities of their poorer brethren.

We learn with pleasure from the Rector who has again volunteered his services in making the collections in this part of the Mission, that in view of the withdrawal of the grant so long continued to the Church of the Diocese by the Society for the Propagation of the Gospel, our people now begin to see and feel plainly their future responsibilities and duties in this respect. As an evidence of this, very many, we rejoice to say, have more than doubled their subscriptions. With our offerings to the good cause, we join our prayers to our Almighty and Heavenly Father, that it may please Him 'to stir up the wills of His faithful people that they, plenteously bringing forth the fruit of good works, may of Him be plenteously rewarded.'

The Society will please to accept our thanks for the last grant of books to our Church Library, and we ask to be remembered in the same way in the appropriation of the present year."

ST. JAMES.—Col. Hurd Peters, Secretary of this Committee, reports contributions to the amount of $127 20, and states that a considerable sum will yet be added to this amount.

ST. JOHN.—(Trinity)—Mr. H. W. Frith, Secretary of this Committee, reports contributions to the amount of $524 34.

St. MARK.—Mr. C. H. Fairweather, Secretary of this Committee reports contributions at the present time amounting to $269. He writes "there

will be about $130 to be added, making about $400. A few of the subscribers have left our Parish, and a neighboring Parish has got one of our largest subscribers. I think we will make up an additional sum over last year."

St. Paul.—Rev. W. H. DeVeber, reports contributions to the amount of $355.

St. Mary's, Stanley, &c.—Rev. W. Jaffrey reports contributions to the amount of $44, of which the sum of $21 is limited to the 9th object.

"I am glad to say," Mr. Jaffrey writes, "that I shall be enabled to send to the Society the usual amount of subscriptions, notwithstanding we have been busily engaged during the past year in raising an Endowment Fund, which now, I am pleased to say, with some interest added, amounts to the respectable sum of $656 paid up and secured by mortgage, besides some hundreds of dollars subscribed, to be hereafter paid by instalments."

St. Stephen.—Rev. E. S. Medley writes as follows:—"Since the death of our much respected and lamented Rector, Dr. Thomson, so much has devolved upon this Parish in the way of providing for themselves that the subscriptions to the Society have entirely fallen short. I can only report $10, the proceeds of two offertories in one Church. To our shame be it recorded. But the onus of supporting the Rector of St. Stephen has fallen entirely upon the shoulders of the faithful in St. Stephen, besides the value of the Glebes, which, it appears, are not worth more than $600. There is no Parsonage House and there is still a debt upon the Church.

I am thankful to be able to say that the work of the Church is certainly progressing here. Our services are excellently attended and the number of Communicants increasing. I have held three services in one Church every Sunday since its consecration on the 29th September, 1864, and now I hold a Service in the afternoon at Mill Town alternately with St. Stephen. The congregation is increasing at Mill Town, but we want Prayer Books. I held a service last week at Baring, six and a half miles from here, and the School House where I preached was crowded to excess. The Church is out of repair, but will soon, I trust, be ready for services once a month. The people say they will provide $100 per annum towards the support of a Clergyman, and I do trust the Society will encourge them by making a grant, so that I shall be enabled to have an assistant, as the work here is far beyond the strength of any one man. Besides the three services in St. Stephen on Sundays, (the want of a horse and wagon precludes my getting further than Mill Town, two and a half miles from St. Stephen,) there is morning prayer with Holy Communion on every festival of the Church, and in Holy Week I held two services every day with an address on each occasion. I am now preparing candidates for a Confirmation in September next. I have not said half enough of the heartiness with which many of the Church people have come forward here to support me in the common work of building up the Church and Church principles, the satisfaction of our Bishop and many friends in seeing the work progressing and strengthening, and I trust that I shall have to report next year, under God, that we are out of debt, and that we really do feel a lively interest in the Society, by doing our duty towards helping and maintaining its many excellent objects."

Simonds.—Rev. G. Schofield reports contributions to the amount of $42 93; $20 of which are limited to the Widows' and Orphans' fund.

Mr. Schofield writes, "In an agricultural parish like this, few changes take place. The attendance at Church has been good, except when affected by the weather. I trust that by God's blessing on patient continuance in well-doing my labors have not been in vain."

SHEDIAC.—Rev. G. S. Jarvis, D. D., reports contributions to the amount of $57 04, including $15 15 collected at Cocaigne and Buctouche.

STUDHOLM.—Rev. R. Simonds, reports an increased amount of contributions, viz: $73.

He writes that twenty candidates were confirmed in this Parish by the Bishop in August last, and one adult was baptized.

UPHAM.—Rev. S. J. Hanford reports contributions to the amount of $100 19, a little more than last year. Mr. Hanford speaks of the great want of books, especially of bibles and prayer books in this extensive Mission.

WELDFORD.—Rev. James P. Sheraton reports contributions to the amount of $32 70, and he writes as follows:—

"I was admitted to Deacon's orders upon the 18th of December last, having at that time been in the Parish a year and nine months as a Lay Reader.

I have one church and six stations, at a distance of from 3 to 18 miles from my place of residence.

Last winter was unusually stormy and travelling often impracticable, so that I was sometimes unable to reach my stations. During the five months from January 1st to June 1st, I held thirty-six Sunday services and seven week day services.

There were also during that period, 9 baptisms, 5 marriages and 5 funerals.

The contributions of the people towards my support amount nominally to three hundred and sixty (360) dollars.

The Church standing in great need of repairs, the people resolved to endeavour by degrees to place it in good condition.

Accordingly last summer it was substantially underpinned, and the roof reshingled.

I trust that we shall be able during the ensuing season to proceed with the work of renovation."

WESTFIELD.—Rev. E. S. Woodman reports contributions from this Parish to the amount of $63 62; and also from Welsford in the Parish of Petersville, the sum of $17 30; in all, $80 92.

WESTMORLAND.—Rev. D. M. Bliss writes that the amount of contributions from this Parish would not be less then that of last year.

WOODSTOCK.—Rev. S. D. Lee Street has inclosed the following resolutions passed at a late meeting of this Committee:—

1. That this Committee return sincere thanks for the grant of books, and hope to be remembered in the next appropriation.

2. That this Committee are fully alive to the importance of increased exertion on behalf of the Diocesan Church Society, being aware that as the grants from the Society for the Propagation of the Gospel, are from time to time withdrawn, it is from this Society alone that aid can be expected to supply the deficiency; and under this impression some of the members have this year added to their usual contributions, and but for the great difficulty in obtaining money, many others would have followed their example.

3. That this Committee cannot lose sight of the still existing wants of the Parish of Richmond, and the great importance of opening a separate Mission there. The Church is undoubtedly losing ground in this Parish from the want of a resident Clergyman, and the Church people are becoming discouraged from being so long neglected in this respect. This Committee would therefore again bring the subject to the notice of the general Committee, and urge the continuance of the grant to this Parish, under a hope that the Bishop may be enabled to send them a Clergyman in the course of the present year."

In his letter accompanying the foregoing resolutions, the Rev. S. D. Lee Street, begs to press upon the notice of the Committee what is said with reference to the Parish of Richmond.

"I have nothing" he writes, "to communicate of an interesting nature, further than this;—the work of the Mission is carried on as heretofore, by the curate and myself. The Services are regularly kept up; and during the past year three hundred and seventy Services have been performed, of which two hundred and sixty have been on Sunday. The Holy Communion has been publicly administered on twenty occasions in the different churches. There are throughout the Mission one hundred and fifty communicants.

I still, by the blessing of God, am enabled to preach three times on every Lord's day, though I regret to say, my health is in such a precarious state, that I fear I shall be compelled, ere long, to relinquish a portion of my present work. In fact, my medical adviser has oftentimes, remonstrated with me on the impropriety of undertaking so much, but I feel I am bound to work in the cause of Christ, while He in His goodness affords me strength so to do.

I most heartily wish I could observe more satisfactory results of my labor, for I am often all but discouraged to behold around me, such a want of that pure and heartfelt religion which marks the true christian. Still, I cannot but hope that my labor in this portion of the Lord's Vine. yard, has not been altogether in vain, but that the word preached may, even now, be taking root, in hearts where least expected, and in God's own good time, increase and bring forth fruit to eternal life. God, in His mercy grant that it may be so, and that all who have been committed to my pastoral care may see the salvation of God!

Number of marriages during the year by myself and curate six; number of baptisms thirty-three; of burials twenty-seven.

As I mentioned in my former report, a great portion of the work performed by the curate and myself, and the Sunday Services in the different Churches, are so arranged that it is difficult to separate them, so as to be fully understood by the General Committee. This, however, I can with truth say, we are doing the duty that ought to be allotted to three, and it must therefore naturally be concluded, that the whole work of this extensive and populous Mission cannot be performed in that efficient and satisfactory manner that it might be, if additional aid were afforded, and Richmond made a separate mission.

I have taken more than usual trouble to obtain a larger amount of contributions, and have embraced every opportunity to impress upon the minds of my *flock*, the necessity of greater exertions on behalf of the Diocesan Church Society, especially at the present time, and I am happy to say that in many instances the appeal has been responded to by increased contributions, and I cannot but hope that another year all will do this. Still there are many backward in doing what they ought, and are *fully able to do*, and it has been by unwearried and persevering exertions that I have been enabled to obtain the amount which I now beg to report, viz: $233 60, which exceeds that of last year by $35 70.

To those who seek the extension of the Redeemer's Kingdom upon earth, many of the foregoing reports are of deep interest. With regard to the contributions for the current year, they fall far short of what the state of the Church requires. The present income is barely sufficient to keep up the Missions now on the list of the Society. Other objects,—of great importance, even the importations of books, so much re-

quired in the country Missions must, for the present, be given up. From several parts of the Province opportunities are offered for opening new Missions for additional labourers in large and important Parishes—the state of the funds oblige the Society to disregard these calls, and so immortal souls are left in peril.

The venerable Society for the Propagation of the Gospel, has kindly consented to postpone the proposed reduction in their grants for the present year, till after the 1st July; in the meantime the Lord Bishop may be enabled to make a definite arrangement for the future. One thing may, however, be relied on, there will be a considerable reduction at present, and a larger one next year and this reduction will go on till the whole amount is withdrawn.

The church in this Diocese must then be ready to do the work which its great Head has appointed, or that work must be abandoned. In this matter, the responsibility seems to rest solely upon this Society. There are no other apparent means for the purpose. A small increased subscription on the part of every member, a little exertion in obtaining new subscribers, and this great work could be accomplished before the opportunity has past, and cannot be recalled.

But beyond these demands, which should press upon the conscience of every member of the church, there is another point which should never be lost sight of, viz: the limited and often uncertain stipends on which the laborious Missionary is obliged to live and work and pay large but necessary expenses. This is a subject which is engaging much attention on the part of our fellow-churchmen in England. It is cheering to find that the highest in the land consider this a matter worthy of their consideration. The following words were lately addressed to a meeting, in some respects similar to this, by His Royal Highness, the Prince of Wales. They exhibit sincere good feeling and kindness of heart, and seem quite applicable to our position in this Diocese.

"All will admit," His Royal Highness was pleased to observe, "that it is of the greatest importance that our clergy should be men of education, and not only so, but that they should be able to devote a portion of their time to study and reflection, as well as to the more active duties of their profession, freed from the harrowing distractions of poverty. How great must be this distraction in the too frequent case of a poor clergyman with a large family—a scanty income during his life and the prospect of nothing at his death! Now it is to meet such cases that this Society has been formed, to mitigate the anxiety of many a hard working clergyman, and to soothe the aching heart of many a widow and orphan in the hour of their affliction."

Abstract from Returns of Missionaries, to whose support the Diocesan Church Society contributes. From 1st June, 1864, to 1st June, 1865.

The Secretary read reports of the Missionaries, and of the Local Committees, and a report of the proceedings of the Executive Committee, for the past year.

He also read the report of the Auditors upon the accounts of the Treasurer, and on motion, it was resolved—That the same be received and entered upon the minutes.

AUDITORS' REPORT UPON THE ACCOUNTS OF THE TREASURER OF THE DIOCESAN CHURCH SOCIETY FOR THE YEAR ENDING MAY 1st, 1865.

The Auditors beg to report that they have examined the accounts of the Treasurer, and the vouchers accompanying the same, all which are found correct, with the exception noted below.

The funds of the Society stand as follows :—

Cash balance in Treasurer's hands, May 1st, 1864	$758 81
Receipts for collections and subscriptions to May 1st, 1865	5549 25
" " Interest	578 54
	$6,886 60
The payments during the year have been	7,020 09
Balance due Treasurer May 1st, 1865	$133 49
The invested funds of the Society are	12,452 30
	$12,318 81

It will be seen that the expenditures of the past year have absorbed the balance in hand at the beginning of the year, the year's income, and a portion of the income of the present year.

A smaller amount than usual has been collected the past year for interest on investments.

There is an error in voucher No. 97, being draft upon education grant. It states the half year for which it is drawn, to expire on 1st January, 1865, should be 1st May, 1865.

The Auditors note that no remittance has been received from the Parish of Sussex, although an amount equal to last year was promised.

WM. HY. SCOVIL, }
C. H. FAIRWEATHER, } *Auditors.*

The Chairman read the Missionary Schedule, with certain recommendations by the Lord Bishop.

He also, on the part of the Committee appointed last year, with reference to the withdrawal of certain grants by the Society for the Propagation of the Gospel, presented a report, which he read; on motion it was resolved that the same be received.

And on motion, it was further resolved, that a like Committee with reference to the action of the Society for the Propagation of the Gospel, be again appointed; consisting of the Revs. Canon Coster, Canon Harrison, Mr. W. Jack and the Hon. R. D. Wilmot.

The Secretary read a list of applications for grants.

Wilmot, with the Treasurer and Secretary, be appointed to report to-morrow evening on the available funds of the Society, the several applications and the Missionary Schedule.

On motion of the Rev. Hy. Pollard,—That under Article 9,

of the objects of the Society, any person has power to limit his subscription to the endowment of any particular Parish; this resolution on being put to the meeting was decided in the negative.

The Committee adjourned till to-morrow evening.
